

## **Creation Care Mini-Grants 2024**

The Diocese of Alabama Task Force for Creation Care is excited to announce a \$250 mini-grant opportunity for projects that enhance your parish's care of creation efforts. This grant is designed to support innovative and impactful initiatives within our diocese.

Last year, our grants made a difference by funding projects such as:

- Bee and butterfly gardens
- Planting native species
- Replacing outdated light bulbs
- Improving HVAC efficiency
- Installing sprinklers
- Marketing community creation care events
- Winterizing parish halls

What could your project be? Here are some ideas:

- Replacing outdated lighting or light bulbs
- Expanding recycling capabilities
- Planting native plants
- Buying reusable dishes for your parish hall to replace disposable ones
- Hosting a community event or lecture on creation care

Important Details:

- Application Deadline: July 1, 2024
- Project Completion Deadline: December 2024
- Eligibility: Grant funds must be used within the parish and cannot be passed on to external organizations. Only one application per parish is allowed.

If you have any questions or need further information, please reach out to the Rev. Sarah Smith Halloran at [rector@graceepiscopalpikeroad.org](mailto:rector@graceepiscopalpikeroad.org).
