

Creation Care Mini-Grants *for Parishes*

Creation Care Mini-Grants 2025

The Diocese of Alabama Task Force for Creation Care is excited to announce a \$250 mini-grant opportunity for projects that enhance your parish's care of creation efforts. This grant is designed to support innovative and impactful initiatives within our diocese.

Last year, our grants made a difference by funding projects such as:

- Bee and butterfly gardens
- Planting native species
- Replacing outdated light bulbs
- Improving HVAC efficiency
- Installing sprinklers
- Marketing community creation care events
- Winterizing parish halls

What could your project be? Here are some ideas:

- Replacing outdated lighting or light bulbs
- Expanding recycling capabilities
- Planting native plants
- Buying reusable dishes for your parish hall to replace disposable ones
- Hosting a community event or lecture on creation care

Important Details:

- Application Deadline: May 31, 2025
- Project Completion Deadline: May 2026
- Applicants must be Episcopal parishes within the Diocese of Alabama
- One application per parish
- Grant funds may not be passed on to organizations outside of the parish.

If you have any questions or need further information, please reach out to Claire Cotten, Director of Mission Funding, at ccotten@dioala.org.
